It is therefore proposed to appoint Mr R Alagar, as Independent Director on the Board of the Company for a term of five consecutive years up to 14.08.2024 and a brief profile of him is also provided at the end of this notice.

Except the Mr R Alagar none of the Directors or Key Management Personnel of the Company and their relatives has any interest, financially or otherwise, in the proposed resolution.

Your Board recommends that his re-appointment be confirmed by the members of the Company

Agenda 4: Variation in Remuneration of Managing Director, Mr A V Palaniswamy

Mr A V Palaniswamy was appointed as Managing Director of the Company, at a remuneration of ` 2,00,000/- p.m. with effect from 1st January, 2019 for a period of 5 years at the 25th Annual General Meeting of the shareholders held on 10th May, 2019.

His remuneration is revised to Rs 1,50,000/- PM with effect from 01.06.2019 till the remaining period of this tenure.

Except Mr A V Palaniswamy none of the Directors or Key Managerial Personnel of the Company and their relatives has any interest, financially or otherwise, in the proposed resolution.

Your Board recommends that the variation of remuneration be confirmed by the members of the Company.

Agenda 5: Variation in Remuneration of Whole Time Director, Mr Jayaram Govindarajan

Mr Jayaram Govindarajan was appointed as Whole Time Director of the Company, at a remuneration of ` 1,00,000/- p.m. with effect from 14th December, 2018 for a period of 3 years at the 26th Annual General Meeting of the shareholders held on 23rd September, 2019.

His remuneration is revised to Rs 1,50,000/- PM with effect from 01.06.2019 till the remaining period of this tenure.

Except Mr Jayaram Govindarajan none of the Directors or Key Managerial Personnel of the Company and their relatives has any interest, financially or otherwise, in the proposed resolution.

Your Board recommends that the variation of remuneration be confirmed by the members of the Company.

The relevant particulars concerning the Directors as required are set out in the statement attached to the Notice.

DIVIDEND

The Company has not declared any dividend during the year under review due to the uncertainty of market conditions and the effect covid-19 impact on productivity

PERFORMANCE:

Company was under continued pressure on pricing due to low down of the economics and abnormally lower pricing from Chinese manufacturers both in international and in domestic markets,. Preferential duty structure to Chinese products has made it difficult to get better pricing in the domestic market. Increase in the input costs on labour and power has reduced the margin.

Company has completed the merger and amalgamation of the associated supply companies and the Company is taking steps to reduce general administrative over head costs.

RISK MANAGEMENT POLICY

Potential risk for the business of the Company and steps to be adopted by the Company to handle the risks has been reviewed regularly. Following are the few risks and the methods to be adopted by the Company to handle them.

1) Manpower

Company enjoys good relationship with labour, supply side vendors and understanding customers

Company will face severe shortage of manpower due to the absence of migrant labor and strict restrictions on local labor from other districts because of Covid-19 curfew. Company is developing more and more tools and dies to operate the automatic machines and introduction of more locally available women labor force.

2) Market Risk

Due to shrinking market in the world for the products manufactured by the Company, manufacturers from China is expected to dump their huge production capacities in the markets where the Company is having its presence. Pricing pressure will continue to exist for the foreseeable future.

Company is taking steps to make the merged entities more efficient and improve the productivity with reduced manpower and power costs to maintain the market share

Company will take steps to improve the market for the newly developed water pump business which is also under slow down due to Covid – 19 crisis.

3) Exchange Risk

Company is exporting 70% of its products and expects a very volatile exchange rate for US dollars during the Current Year. RBI maintains a flexible rate against a basket of currencies and rupee is changing on a daily basis and as a result Company's revenue changes on a daily basis for the same quantum of exports.

Company has taken steps to procure all of its inputs for the production in the domestic market and is not subject to variations in input costs. Also more of the production is being sold in the domestic market to reduce the risk of the exchange rate changes.

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the financial statements of National Fittings Limited (“the Company”), which comprise the balance sheet as at March 31, 2020, and the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (“the Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013 (“Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its profit, total comprehensive income, the changes in equity and cash flows for the year ended as on that date.

Basis for Opinion

We conducted our audit in accordance with the standards on auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor’s responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

In our opinion and based on the information and explanations given to us, there are key audit matters to be communicated in our report, other than those more fully described in the Emphasis of Matters paragraph of our report which describes the impact of Covid-19 pandemic on the Company’s operations and results as assessed by the management.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The Key Audit matters	Principal Audit Procedure
<p>Title deeds of Immovable property</p> <p>The Company’s Property, Plant & Equipment consists of certain immovable properties whose title has not been changed from the Erstwhile Transferor company’s name.</p> <p>Refer Note 2. 1 to the Financial statement.</p>	<p>Consequent to Merger order by the Hon’ble NCLT, the title deeds of certain immovable properties were yet to be transferred to the company’s name from erstwhile Transferor company. Emphasis of Matter

We draw attention to Note 2.30 to the Standalone financial result which explains COVID-19 that has caused significant disruptions in the business operations of the companies across India and has caused significant challenges on our performance of our attest function. One such challenge being the inability for the company to conduct a physical verification of inventories for the year end 31st March, 2020, due to imposition of nationwide lockdown by the Government.

The Company's management, however, conducted physical verification of inventories on dates other than the date of financial statements but prior to the date of the board meeting to be held for the purpose of adopting the financial results and has made available the documents in confirmation thereof. Inventories, being material to the financial statements/results of the Company, the Standard on Auditing (SA) 501, Audit Evidence-Specific consideration for selected items, cast a duty on us to obtain sufficient appropriate audit evidence regarding the existence and condition of inventories.

We have performed alternate sample audit procedures based on documents and other information made available to us, to audit the existence of inventories as per the Guidance provided by the Standard on Auditing (SA) 501, Audit Evidence-Specific considerations for selected items, and had obtained sufficient appropriate audit evidence to issue our unmodified opinion on these standalone financial results.

Our opinion is not modified in respect of this matter.

Other Information

Further to the continuous spreading of COVID -19 across India, the Indian Government announced a strict 21-day lockdown on March 24, 2020, which was further extended till June 30, 2020 across the India to contain the spread of the virus. This has resulted in restriction on physical visit to the client locations and the need for carrying out alternative audit procedures as per the Standards on Auditing prescribed by the Institute of Chartered Accountants of India (ICAI).

As a result of the above, the entire audit was carried out based on remote access of the data as provided by the management. This has been carried out based on the advisory on "Specific Considerations while conducting Distance Audit / Remote Audit / Online Audit under current Covid-19 situation" issued by the Auditing and Assurance Standards Board of ICAI. We have been represented by the management that the data provided for our audit purposes is correct, complete, reliable and are directly generated by the accounting system of the Company without any further manual modifications.

We bring to the attention of the users that the audit of the financial statements has been performed in the aforesaid conditions.

Our audit opinion is not modified in respect of the above.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's board of directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016, as amended from time to time, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - B to the Independent Auditor's Report**Report on the internal financial controls over financial reporting under clause (i) of sub - section 3 of section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of National Fittings Limited ("the Company") as at March 31, 2020, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance

of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Notes forming part of the financial statements for the year ended 31.03.2020.**

Note	Particulars
------	-------------

1 Corporate Information

National Fittings Limited (referred to as “the Company”) manufacture and sells SG Iron Grooved and Screwed Pipe Fittings, Stainless Pipe Fittings and Ball Valves for industrial and non-industrial applications.

The Company is a Public limited company incorporated and domiciled in India, whose shares are publicly traded.

2 Significant accounting policies**a) Statement of compliance**

These financial statements have been prepared in accordance with the Indian Accounting Standards (refer. to as “Ind-AS”) as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

b) Basis of Preparation

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (‘Indian GAAP’) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis, except for certain financial instruments which are measured at fair value.

c) Use of estimates

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Future results could differ due to changes in these estimates and the difference between the actual result and the estimates are recognised in the period in which the results are known / materialise.

d) Significant estimates and judgements

The areas involving critical estimates or judgements are:

- i) Estimation of useful life of Property, Plant and Equipment - Refer Note 2(e)
- ii) Defined benefit obligation - Refer Note 2.27
- iii) Estimation and evaluation of provisions and contingencies relating to tax litigations - Refer Note 2.26

e) Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment loss, if any. Depreciation is provided for property, plant and equipment so as to expense the cost less residual value over their estimated useful lives based on technical evaluation. The estimated useful lives and residual value are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Notes forming part of the financial statements for the year ended 31.03.2020.

Note 2 Significant accounting policies (Contd.)

Note	Particulars
------	-------------

Depreciation on tangible assets is provided on the straight-line method over the useful lives of assets as prescribed under Part C of Schedule II of the Companies Act 2013 except for Building and Plant and Machinery for which the Management estimates the useful lives as follows:

- a) Building(1) 30-40 Years
- a) Plant and Machinery(1) 5-10 Years
- b) Patterns and Moulds 3 Years

(1) For these Building and Plant and Machinery, based on the internal assessment and independent technical evaluation carried out by the management, the useful lives as given above represent the period over which management expects to use these assets. Hence useful lives of these assets is different from the part C of Schedule II of the Companies Act, 2013.

Depreciation is not recorded on capital work In progress until construction and installation is complete and the asset is ready for its intended use.

f) Intangible assets

Intangible assets purchased are measured at cost as of the date of acquisition, as applicable, less accumulated amortization and accumulated impairment, if any.

g) Leases

The Company has leased Certain tangible assets and such leases where the company has substantial retained all the risk and rewards of ownership are classified as operating leases. Lease income on such operating leases are recognised in the Statement of Profit and Loss account on Straight Line Basis over the lease term.

Lease in which a significant portion of the risk and rewards of ownership are classified as operating leases. Lease Payments on such operating leases are recognised in the Statement of Profit and Loss account on Straight Line Basis over the period of lease.

h) Impairment

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

i) Investments

Long-term investments, are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

Notes forming part of the financial statements for the year ended 31.03.2020.

Note 2 Significant accounting policies (Contd.)

Note	Particulars
------	-------------

j) Employee benefits

Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the services are recognized in the period in which the employee renders the related service.

Post Employment / Retirement Benefits

Defined Contribution Plans such as Provident Fund etc., are charged to the Profit and Loss account as incurred.

Defined Obligation Plans - The Present Value of the obligation under such plans, is determined based on an actuary valuation, using the Projected Unit Credit Method. Actuarial gains and losses arising on such valuation are recognized immediately in the Profit and Loss account.

Other Long Term Employee Benefits are recognized in the same manner as Defined Benefit Plans.

Termination Benefits

Termination Benefits are recognized as and when incurred.

k) Revenue recognition

National Fittings Ltd., (referred as Company) earns revenue primarily from sale of SG Iron Grooved and Screwed Pipe Fittings, Stainless Pipe Fittings and Ball Valves for industrial and non-industrial applications.

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Revenue is net of Indirect taxes (Excise duty, VAT, GST).

Benefit on account of entitlement under the Duty Entitlement Pass Book scheme, accounted on estimated basis and recognised in the year of export.

Revenue from Export Sales are recognised based on date of dispatch.

l) Income Taxes

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or

Notes forming part of the financial statements for the year ended 31.03.2020.

Note 2 Significant accounting policies (Contd.)

Note	Particulars
------	-------------

substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

Current and deferred tax relating to items directly recognised in equity are recognised in equity and not in the Profit and Loss Statement.

m) Foreign currency transactions and translations

- i. The transactions involving Foreign Currencies are accounted for at the rates prevailing on the date of transactions and accordingly Gains/(Losses) arising out of fluctuation in exchange rates are recognized in the Profit & Loss Statement
- ii. In case of forward contracts, if any, the difference between the forward rate and the exchange rate at the prevailing period is recognized in the Profit & Loss Statement over the life of the contract.
- iii. Foreign currency monetary Assets & Liabilities such as cash, receivables, payables etc., are translated at the exchange rate prevailing at the year end and overall net gain/loss is adjusted to the Profit & Loss Statement.
- iv. Non-monetary items denominated in foreign currency such as investment, fixed assets etc., are valued at the exchange rate prevailing on the date of transactions

n) Inventories

Inventories of Raw Materials, Stores and Spares parts, Work in progress and Finished goods are valued at the lower of cost ascertained on weighted average cost basis and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads.

Stock of tools are valued at cost and are written off over a period of ten years.

o) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are neither recognised or disclosed in the financial statements.

Notes forming part of the financial statements for the year ended 31.03.2020.

Note 2 Significant accounting policies (Contd.)

Note	Particulars
p) Financial instruments	<p>Financial assets and liabilities are recognised when the Company becomes a party to the contractual provision of the instrument. Financial asset and liabilities are initially measured at fair value. Cash comprises cash on hand and demand deposits with banks.</p>
q) Cash and cash equivalents	<p>Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.</p>
r) Stock of Tools	<p>The stocks of Tools including those developed in-house are being written off over a period of 10 years. Expenses incurred on New Product Development are written off over a period of 5 years.</p>
s) Earnings per share	<p>Basic and diluted earning per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.</p>
t) Segment reporting	<p>The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the Executive Management in deciding how to allocate resources and in assessing performance.</p> <p>The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.</p> <p>Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.</p> <p>Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under “unallocated revenue / expenses / assets / liabilities”.</p>
u) Cost recognition	<p>Cost and expenses are recognised when incurred and have been classified according to their nature. The borrowing cost represents interest payable on loans taken for carrying out business operations and the same is charged to revenue.</p>
